Lets Donate Eyes

"Eyes will
continue to live"

Mata Amritanandamayi

"Make your eyes
alive after death"

Mrs. Aishwarya Rai

Why Eye donation

- More than 2 lakh corneal blind people are waiting for transplantations to get back their vision
- Approximately 20,000 people become corneally blind every year
- 1,00,000 transplantable corneas are required every year
- 60% of corneal blind people are below the age of 12
- 90% of corneal blind people are below the age of 45
- If one person donates, vision can be restored in two people

82% of blind people are poor

69% of blind children
drop out of schools
